One Nation One Policy

Problem: Critical Gap in Transplant Approval

- **Cases rejected** by the Authorization Committee.

- **Common Pitfalls:**

- Incomplete/Inaccurate Documentation
- Lack of Standardized THOTA Training
- Legal Penalties for Hospitals & Staff
- Absence of SOPs for Swap Donations

- **The Cost of Failure:**

Patient Health deterioration

Delay per rejection for the patient and family.

Financial loss per rejected case.

Solution: THOTA Ongoing Webinar Training

- **Reduced Rejections:** Learn better documentation.
- **Ready-to-Use:** Instant access to forms & checklists.
- **Institutional Growth:** Hospital-wide SOP Manual.
- **Staff on boarding:** Training videos for new hires.
- **Compliance:** Legal protection for clinical team.
